**CONSENT AGENDA**

July 21, 2018

The **CONSENT AGENDA** is a tool used to streamline meeting procedures by collecting routine, non-controversial items not requiring discussion into a group whereby all are passed with a single motion and vote.

**Items for Clarification or Questions**

For items that require clarification, or for which you have a question, that clarification needs to be requested before the meeting. An item should not be pulled from the consent agenda just to have a question answered. That sort of information gathering should happen before the meeting. Feel free to contact the moderator of the Committee or the Transitional General Presbyter or Stated Clerk prior to the day of the meeting with your questions.

**Items for Discussion**

Once the motion to approve the Consent Agenda is made, the moderator will ask if there are any requests to remove any items from the Consent Agenda. If there is an item you believe requires further discussion and/or a separate vote, then you should request to pull that one item from the Consent Agenda. And, that item will then be added to the regular agenda for discussion sometime later during that same meeting. The remainder of the Consent Agenda items will be voted on and approved, and only the items requested to be removed will be held out for discussion.

**The following items are included in the Consent Agenda for the July 21, 2018 Presbytery Meeting and will be acted on in one motion towards the beginning of the meeting.**

(PR – Presbytery Report)

**TO BE PRINTED ON THE REVISED PROPOSED AGENDA PUBLISHED ON JULY 13, 2018.**
