DEFINITIONS
COMPENSATION INCLUDED IN EFFECTIVE SALARY

Line 1: Annual Cash Salary is the compensation paid directly to the commissioned ruling elder on an annual basis.

Line 2: *Utility and Furnishing and Appurtenances Allowances paid to commissioned ruling elders should be included on this line. If the manse utilities are in the name of the Church and paid directly by the Church they are NOT included in a commissioned ruling elder's Effective Salary.*

Line3: Deferred Compensation includes tax sheltered annuities, 403(b) plans, other qualified retirement savings plans, housing equity allowances, and other forms of funded or unfunded deferred compensation arrangements.

Line 4: Bonuses, Unvouchered Allowances, Gifts, etc. are the year-end and other bonuses, unvouchered allowances (such as expenses that are not paid through an Accountable Reimbursement Plan), down payment grants for the purchase of a home, savings from interest-free or interest-reduced loans (not loan principal) and gifts paid by the employing organization. (Gifts from private donors or honoraria are NOT included.)

Line 5: Other Allowances includes all other forms of compensation not otherwise covered on lines 1-4, including medical deductible and expense reimbursement allowances not paid through a group benefit plan, insurance premiums for additional insurance coverage provided for individual employees (premiums for group plan coverage are not included), salary reduction contributions to flexible health spending accounts and cafeteria plans, etc. If an allowance is provided to reimburse for Self-Employment Contribution Act (SECA) tax obligations, any amount in excess of 50% of the commissioned ruling elder's SECA tax obligation should be included on this line (see line 9 below).

Line 6: This is the total of Lines 1-5 and is used to figure a manse computation for pension dues.

Line 7: Housing is the amount paid to the commissioned ruling elder for housing expense or the value of the manse. Manse Computation for Pension dues: the Board of Pensions requires that "Manse Allowance" must equal at least 30% of line 6.

Line 8: Effective Salary is the total of line 6 Plus line 7a or 7b. It is the basis on which the Board of Pensions calculates dues. (See line 11 below.)

Line 9: Self-employment Contribution Act (SECA) Tax Allowance may be paid to offset the SECA tax obligation of clergy. (Commissioned Ruling Elders are required to pay Social Security taxes on income received for services performed in the exercise of their ministry on a "self-employed" basis even though they are employees for IRS and W-2 purposes.) If the allowance exceeds 50% of the commissioned ruling elder's projected SECA tax obligation, the allowance in excess of the 50% is subject to Benefits Plan dues and must be reported on line 5 as other allowances.

REIMBURSEMENT & COMPENSATION NOT INCLUDED IN EFFECTIVE SALARY

Line 11: Benefits Plan Dues are figured at 35% of line 8 (Effective Salary) for single pastors and at 36.5% for pastors with families. Note: If the member's full-time equivalent salary is below the minimum medical salary participation basis, your employing organization will be billed on the minimum. Please check with the Board of Pensions for current rates. The Presbytery's Minimum Salary Policy mandates coverage for pastors with families. However exceptions may be allowed if a spouse or dependents have comparable insurance coverage through their employment. Subsidies may be available from the Presbytery of Northern Kansas to help churches pay for the additional costs they face for providing coverage for commissioned ruling elders with their families whose effective salary is at 110% of minimum participation basis or below.

Line 12: Vouchered Business Expenses

a. Continuing Education Allowance is the amount the church or employing organization agrees to reimburse for money actually spent or to be spent for job-related continuing education purposes. Payment must be vouchered under an Accountable Reimbursement Plan or paid under a Section 127 Plan. All other allowances should be included on line 4. This allowance must be at least \$1,000 for full-time. Part-time contracts will be prorated as a percentage of full-time.

b. Automobile Expenses must either (a) reimbursed at the per mile rate (Current IRS rate), or (b) a car with full expenses provided. Record on line 11b the amount budgeted to reimburse the commissioned ruling elder or to pay the expenses of operating a church-owned vehicle. All payments must be vouchered. Allowances for which no substantiation is required should be included on line 3.

c. Business and Professional Expenses include such items as books, subscriptions to magazines, supplies, business meals, etc., and should be reimbursed as spent and vouchered by the commissioned ruling elder.

Line 13: Group Medical Deductibles, Coinsurance, Dental Premiums refers to a supplemental medical plan offered by the church or employing organization to cover its employees' additional medical expenses. If offered as a group plan, qualifying expenses can be paid by the employer and excluded from the employee's gross wages for Federal income and Social Security tax purposes. IRS regulations govern these plans. If these expenses are reimbursed by the employing organization through a means other than a third party, the expenses constitute an allowance that would be subject to income and Social Security taxes and would be included in Effective Salary (report such amounts on line 5).
