

# Letter from Host Congregation

December 20, 2018

Dear Fellow Presbyters:

As I write the week before Christmas, I think of all us scurrying around church offices across the presbytery preparing bulletins, arranging poinsettias, finding more children for pageants, making sure the copier will print all those bulletins – I think of us all preparing for Christ's birth. In your busy-ness today, I'm sure the January meeting of the Presbytery of Northern Kansas is far from your immediate thoughts. BUT, to be sure the date is on your calendars, and so that you will know how welcome you are at Sunrise, I want to welcome you to Sunrise Presbyterian Church in Salina for our January 26 stated meeting.

Our Presbyterian Women are planning a wonderful luncheon for the meeting. Sunrise is handicapped accessible. If there is any way we can help you during the meeting please let us know. We're located at 825 E. Beloit in Salina. You'll find our parking lot just around the corner from that address. We'll post maps and directions closer to the meeting date.

We're looking forward to welcoming you to our congregation in January. Know that you are all in our prayers as you prepare to welcome the Christ Child on Christmas.

In Christ,

The Rev. Dr. Martha Murchison
