

PNK Mission Saturday Project Application

Name of Church_____

Street Address_____

City, State, Zip_____

Contact Person Name, Phone and Email_____

Suggested Dates you would like to have a Mission Team for this project_____

Please describe in detail the project or projects that you wish to have completed including whether this is a project for the church of the community, the location of the project, specific skills needed, estimated time frame, etc.:

How many PNK Mission Volunteers do you feel you can put to work – we want to be able to give everyone that comes a job and not have people standing around with nothing to do and/or so many people that we overwhelm the job site? (this number would be in addition to any persons you may have sign up to help from your local church or community)

____10-15

____15-20

____20-30

____we will make sure we have enough work for whatever number of people are present

OVER

Are there specific tools, you'd like to suggest mission workers bring with them?

Will you have all materials/supplies purchased and onsite prior to the Work Day?

Will your church provide lunch for the mission workers?

IF requested, will you be able to arrange for childcare?

What other information do you wish for us to have?

Applications will be reviewed by the Stewardship and Mission Committee within 2 weeks of submission. The Committee will be in touch with the listed contact person to make notification as to whether the application has been accepted or not and begin working out date/details if the application is accepted.

We can do so much more – when we work together!
