Welcome Presbytery Delegates:

Christ is risen! Hallelujah!

We the Session, the Presbyterian Women and members of First Presbyterian Church in Ellsworth are pleased to be hosting the April 30th meeting of the Presbytery of Northern Kansas. As a congregation we have been answering the call to serve Christ in the Ellsworth area for over 145 years working hard to grow deep roots in faith and branch out further and further in love.

We warmly welcome you to our church which is located on the corner of 3rd and Lincoln Ave. (405 N. Lincoln). Please note that we are located close to the elementary school. As we are meeting on a school day, we ask you to be careful when parking and to be sure to leave the shaded areas indicated on the attached map for school use. We will have parking attendants in our main parking lot north of the church (enter off of Lincoln Ave) who will be glad to indicate available parking spots including on the grass east of our Church building.

The elevator to our building is located off of our main parking lot. Go to the Sanctuary level for registration and to buy your meal ticket. Use it also to go to the basement where you will find our morning refreshments and where lunch will be served.

It is an honor to be hosting the meeting at which Melanie Hancock will be installed as our General Presbyter. We hope you have planned to stay for the reception in our friendship hall after that wonderful worship service which will begin at 2:00pm.

Happy Easter!

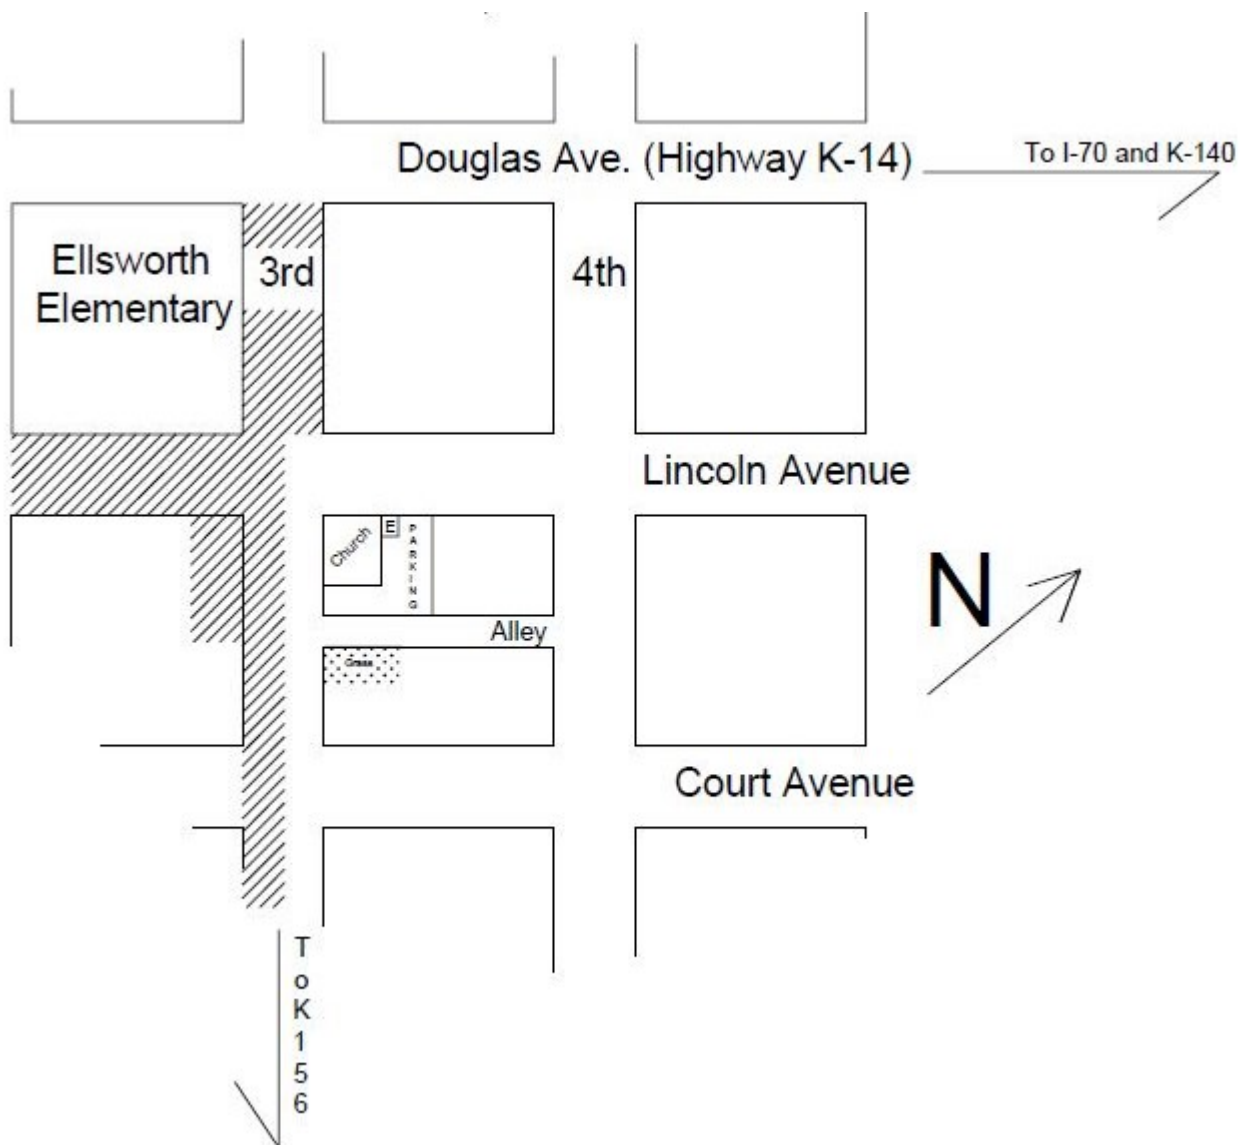

Amy Jo Hawley

Pastor
